

UNITED

HEMISPHERES

You may have seen or tried **Zip It Gear**'s travel socks before, but you might not know they're available in nonathletic styles. So if you're wearing dress shoes on your travels but still like the idea of an out-of-the-way zippered pocket for your money and ID, see the range of men's and women's dress socks (\$9.99; zipitgear.com).
