\$50

Money belts don't work for everyone, but money and passports still need to be hidden when abroad. Enter the sock with a pocket, available in sizes big enough for a passport and small enough to stash a hotel key. The passport socks are understated, while the smaller versions, in patterns and strong colors, come with flair. Best of all: The pockets have plastic linings to protect your valuables from sweaty feet.

\$25 or less

Zip It Passport Socks, \$24.99, and **Pocket Socks** \$9.99. Available from Zip It Gear, 888-494-7769, zipitgear.com.
